EDMONTON, January 7, 1910.

HON. DUNCAN McLEAN MARSHALL, M.L.A.
Provincial Secretary,
Edmonton, Alberta.

SIR,—I have the honour to submit herewith the report of this Department for the year 1909.

It is gratifying to report that the past year has, in every respect, been by far the most important year in the Department's history. The temporary financial and commercial depression experienced throughout 1908 disappeared with the opening of 1909, and a feeling of extreme hopefulness and buoyancy has prevailed in commercial circles generally throughout the year. If the Department's record can be accepted as any indication of the commercial and industrial progress of the province, it is plainly manifest that the year 1909 will rank above all others as is indicated by the extent to which the attention of capitalists has been directed to Alberta as a profitable field for the employment of surplus means. Perhaps at no time in the province's history has there been a greater and a more constant flow of outside capital seeking investment in the development of some one or other of the province's great natural resources, than during the year just closed. This is clearly indicated by the great number of strong financial concerns that have been registered and incorporated since my last report was issued. During the year 200 companies were incorporated under the provisions of The Companies Ordinance, representing an aggregate capitalization of \$19,386,000.00. In the same period 80 foreign companies were registered under The Foreign Companies Ordinance, representing \$83,343,900.00 of capital. These figures are largely in excess of 1908, and for the sake of comparison the appended table has been prepared giving corresponding information for each year since the inauguration of the province in 1905.

Number of Companies incorporated and registered since the establishment of the province, Sept. 1, 1905:

Year	No. of Companies incorporated	Aggregate Capitalization	No. of Companies registered	Aggregate Capitalization	Total Aggregate Capital
1905-6					
16 mos.	161	\$18,552,000	60	\$ 52,405,000	\$ 70,957,000
1907	198	22,166,950	58	47,425,000	69,591,950
1908	137	11,917,950	43	31,312,000	43,229,950
1909	200	19,386,000	80	83,343,900	102,729,900
Totals ...	696	\$72,022,900	241	\$214,485,900	\$286,508,800

The foregoing table will show, I think, a record of commercial and industrial progress and expansion of which the province may be justly proud.

The Departmental revenue for the year was \$42,083.34 as against \$23,949.67 for 1908, an increase of \$18,133.67. This amount is largely in excess of any previous year. The following itemized statement will show the sources from which the revenue was derived:

FINANCIAL STATEMENT

	1908	1909
Auctioneer licenses	\$ 820.00	\$ 1,270.00
Pedlar licenses	500.00	750.00
Marriage licenses	3,580.00	4,042.00
Automobile licenses	137.50	499.50
Certificates under Provincial Seal	98.00	98.00
Companies	7,710.70	15,228.80
Foreign Companies	10,130.62	18,545.39
Incorporation fees under Chap. 22, 1907	9.50	11.50
Incorporation fees under Chap. 22, 1908 (Sec. 10)	10.00	60.00
Incorporation fees under Chap. 43, 1907 (Sec. 10)	10.00	20.00
Registration fees under Chap. 5, 1907 (Sec. 10)	2.00	14.00
Incorporation fees under Chap. 120, 1905 (Sec. 4)		10.00
Registration fees under Chap. 4, 1909 (Sec. 3)		10.00
Registration fees under Chap. 120, 190550
Gazette fees	930.00	1,510.00
Refunds	11.35	3.65
Total	\$23,949.67	\$42,073.34

Of the foregoing amount the sum of \$1,510.00 under the heading of "Gazette Fees" was deposited to the credit of the Government Printer. In comparison with other years, the following figures are shown:

REVENUE STATEMENT FOR YEARS

1905-1906-1907-1908 and 1909

1905— 4 months only	\$ 2,846.00
1906—12 months	25,493.30
1907—12 months	30,619.95
1908—12 months	23,008.32
1909—12 months	40,573.34
Total net revenue	\$122,540.91

It will thus be seen that with the exception of the year 1908, (which was admittedly an unprecedentedly bad one in financial circles the world over), the departmental revenue has shown a steady and, I think, a satisfactory upward tendency. This is the more satisfactory, and perhaps unique in Governmental circles by virtue of the fact that the department can actually show a decreased expenditure for 1909 as compared with 1908. In the latter year, the total departmental expenditure (including salaries) was \$4,983.74, while for 1909 the expenditure was only \$4,948.11, this amount being \$371.89 less than the amount voted by the Legislature.

ORDINANCES AMENDED.

At the last session of the Legislature The Companies Ordinance was amended by the adoption of the following provision respecting the issuing of prospectuses:

- "1. The Companies Ordinance is amended by inserting after Section 57 thereof the following new section:
- "57a. Every company heretofore or hereafter incorporated under the authority of this Ordinance or under the authority of any special Ordinance or Act, the number of shareholders of which is increased to a number greater by ten than the number of applicants for incorporation or which has its debentures or other securities held by more than ten persons, and every company incorporated otherwise than as above set out, which has more than ten shareholders or holders of debentures or other securities within Alberta, shall file a prospectus in the manner hereinbefore set out.
- "(2) All purchases, subscriptions or other acquisitions of shares, debentures or other securities of any company required in the manner above provided to file a prospectus shall be deemed as against the company or the signatories to the prospectus to be induced by such prospectus, and any term, proviso or condition of such prospectus to the contrary shall be void.
- "(3) No subscription for stock, debentures or other securities induced or obtained by verbal representations shall be binding upon the subscriber unless prior to his so subscribing he shall have received a copy of the prospectus."

Prior to the adoption of the foregoing provision the issuing of a prospectus was optional and experience showed that there was a tendency on the part of company promoters to take advantage of this apparent weakness of the Ordinance. Needless to say, the amendment has had the desired result of discouraging the incorporation of any but legitimate concerns.

Particulars as to the objects, powers, capital stock, etc., of the companies incorporated during the year, will be found in the appendix. In addition to the foregoing, the report also contains a complete list of the companies incorporated and registered under The Companies Ordinance of 1901 and The Foreign Companies Ordinance of 1903. I am happy to say that in the majority of cases the provisions of the Ordinances respecting the filing of returns are fairly well complied with, as is instanced by the fact that as yet it has not been found necessary to enforce the provisions of the Ordinances for neglect in this respect. A number of defunct companies have been struck off the list during the year pursuant to Section 24 of the Ordinance.

Detailed information respecting the work performed by the department during the year will be found on reference to the appendices to which your further attention is respectfully directed.

A change in the executive head of the department occurred during the year by the resignation of the Hon. W. T. Finlay, who was regretfully obliged, on account of ill health, to relinquish the portfolio, which he had held from the inception of the province, and the subsequent appointment of Hon. Duncan Marshall to the position.

It is pleasing to report my satisfaction with the manner in which the staff of the department have performed their duties during the year. On account of insufficient accommodation the work has often been done under very trying difficulties, but the staff have at all times responded cheerfully to their several tasks, recognizing, apparently, that a remedy of the congested state of the offices would not be found in complaining.

Respectfully submitted,

I have the honour to be, Sir,

Your obedient servant,

HAROLD W. RILEY,

Deputy Provincial Secretary

and

Registrar of Companies.
